Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I have suffered from depression,  
Panic attacks, insomnia, and anxiety  
until I discovered Madison Pharmacy.

Their compounded formulas have literally  
saved my life. Madison Pharmacy has  
helped so many women and their research  
and dedication is unsurpassed. It would  
be a crime to regulate something that  
is working and is incredibly beneficial  
to so many people.
